ELEMENT™ 3" CYLINDER
WALL WASH CYLINDER

Enhance your space with the modern design of the ELEMENT 3" Wall Wash Cylinder. Perfect for accentuating artwork or architecture, this refined lighting solution adds luxury to any setting. It offers multiple mounting options and warm dim or static white options to create a welcoming ambiance for your guests or customers.

- Optimized wall wash beam distribution
- 1-step static white and 2-step warm dim color binning
- Available in Black and White
- Flush, surface, conduit, and pendant mount options

LUMEN MULTIPLIER (CRI/CCT)

CCT	80 CRI MULTIPLIER	90 CRI MULTIPLIER
2700K	—	0.98
3000K	—	1.00
3500K	1.21	—

Lumen output will vary by CCT and CRI.
See photometric charts for output information.
Data in chart reflects 3000K/90 CRI values,
unless otherwise noted.

SPECIFICATIONS

For dimming details, refer to dimmer compatibility chart.

[1]F - Flush Mount includes an adapter plate to convert junction box before ceiling install and a remote driver enclosure for all driver options.

[2]P - Pendant Mount requires selection of Pendant Stem Accessory Kit. See part numbers below.

[3]C - Conduit Mount includes a remote driver enclosure for all driver options.

[4]The drivers in ELEMENT Cylinders must be located either in the junction box or in a remote location. Reference the Driver J-Box Compatibility Chart below for guidance. When the driver is listed as Remote, a remote enclosure that is 4" x 8" x 1.8" is provided. All non-UNV drivers are remote. All flush and conduit drivers are remote.

[5]UNV - Universal dimming is reverse-phase, forward-phase, TRIAC, and 0-10V. 277V is only compatible with 0-10V dimming. Surface and Pendant Mounts place the UNV driver in the junction box for the 12W and 15W outputs. For 19W and 27W outputs a remote driver enclosure is included for locating the UNV driver.
